## 24/7 Rental & Payment Center

Our Stockton location installed a brand new **Insomniac 770 Rental & Payment Center**, so you can rent storage spaces, make payments, and purchase merchandise all at your convenience - 24 hours per day 7 days per week\*. The Kiosk takes cash, check, Visa, MasterCard, and Discover. Want to rent a storage space? Make sure you bring your driver's license and Megan, the built in talking assistant, will guide you through the simple process. Don't like technology? That's okay, too - you can always stop in during our [office hours](#), and our manager will be happy to help you. [Click here to see a demo of our brand new Kiosk.](#)

\*Storage space access is subject to facility access hours 6am to 10pm
